EVOS Healthy School Lunch Program

We make your morning 'To Do' list a little shorter by providing great tasting, healthier and affordable lunches to your kids' school or camp.

EVOS delivers Feel Great lunches kids love to eat. Our beef is raised naturally on family farms, free of hormones and antibiotics. And our Airbaked Chicken Strips are made with natural lean chicken breast and Airbaked vs deep-fried, making them half the fat of regular strips.

Take advantage of our online ordering system and enjoy the peace of mind knowing your children are eating healthier and enjoying it!

“Offering EVOS as a lunch choice for our students has been well received...EVOS is easy to work with, and always stands behind their product.”

— Ms. Burns, Principal

“EVOS helps me make a great choice for my kids ...and my kids really love it!”

— Elise, Parent
